## **Staff Life Style Commitment Statement October, 2005**

Beautiful Beginnings, Inc. is a vital ministry of the Lord Jesus Christ. Our mission is to provide a secure, loving child care environment, based on biblical principles, with developmentally appropriate learning opportunities designed to maximize each child's growth mentally, physically, emotionally, and spiritually. It is our desire to be known throughout the community as an example of excellence in education, care, training and ministry to children and their families. Our responsibility does not begin and end when we enter and leave this building each day. Our lives, both professional and private, should reflect our personal commitment to Jesus Christ and our acceptance of the mission statement, vision, and goals of the school.

As an employee or potential employee of Beautiful Beginnings Childcare, we ask that you review the professional, spiritual, personal, and moral life style standards stated here. Your signature indicates that you understand, accept and agree to live by these standards.

I can testify to a living, growing relationship with Jesus Christ and am able to present Him to the children and families in my care. I am able to pray with and share the love and truths of the gospel with them. I commit to participate in the weekly worship services of my church.

I commit to continued professional growth through attendance at staff meetings, in-service Trainings, seminars, conferences, workshops, and when possible, college courses. I will take advantage of opportunities for professional observations and networking, and will read journals, articles, books, etc. relevant to my area of responsibility.

I am not presently engaged in, and will, as long as I am employed by Beautiful Beginnings, refrain from conduct and behaviors that could be defined as inappropriate. These include but are not limited to: sexual activity outside of marriage, homosexual activity, pornography, or child abuse of any kind. I also understand that my behaviors in public places may come under scrutiny and I will conduct myself in ways that will not bring dishonor to Christ or Beautiful Beginnings, inc.

I commit to diligently, consistently, and professionally perform all the duties and responsibilities of my position.

If you have questions or concerns about this document, please feel free to discuss them before signing. We look forward to working closely with you, in a supportive environment, where all are encouraged toward achieving a goal of a Christ-centered, high quality early learning center.
